

1st year Master of Science in Geography, profile Earth and Climate
Example week 4 (October)

	Monday	Tuesday	Wednesday	Thursday	Friday
8h-9h					
9h-10h	Geographical Research Methods II: Survey and Data Analysis (lecture + practicals)	Atmospheric modelling (lecture)	Geographical Research Methods I: Earth Observation (practicals)		
10h-11h					
11h-12h				Soil and Water Conservation (lecture + practicals)	
12h-13h					
13h-14h	Geography of Globalisation (lecture + practicals)	Geographical Research Methods III: Numerical Modelling (lecture + practicals)	Geographical Research Methods I: Earth Observation (lecture)		
14h-15h				Environmental Change (lecture + practicals)	
15h-16h					
16h-17h					
17h-18h					

1st year Master of Science in Geography, profile City, Society and Space
Example week 5 (October)

	Monday	Tuesday	Wednesday	Thursday	Friday
8h-9h					
9h-10h	Geographical Research Methods II: Survey and Data Analysis (lecture + practicals)	Urban Social Geography (lecture)			
10h-11h					
11h-12h				Space, Society and Policy (lecture + practicals)	
12h-13h					
13h-14h	Geography of Globalisation (lecture + practicals)		Geographical Research Methods I: Earth Observation (lecture)		
14h-15h		Geographical Research Methods III: Numerical Modelling (lecture + practicals)		Environmental Change (lecture + practicals)	
15h-16h					
16h-17h					
17h-18h					

1st year Master of Science in Geography, profile GIS and Spatial Modelling
Example week 5 (October)

	Monday	Tuesday	Wednesday	Thursday	Friday
8h-9h		Spatial Databases (lecture + practicals)			
9h-10h	Geographical Research Methods II: Survey and Data Analysis (lecture + practicals)				
10h-11h					
11h-12h				Space, Society and Policy (lecture + practicals)	
12h-13h					
13h-14h			Geographical Research Methods I: Earth Observation (lecture)		
14h-15h		Geographical Research Methods III: Numerical Modelling (lecture + practicals)		Environmental Change (lecture + practicals)	
15h-16h					
16h-17h	Geographical Research Methods I: Earth Observation (practicals)				
17h-18h					
18h-19h					

Green means mandatory course, Blue means elective course.
