

Exam	Programme	Professor	Oral/Writte	Date	Time	Location
Advanced Aspects of Molecular Pharmacology	Biomolecular Sciences	Vanderheyden		by appointment		
Advanced Developmental Biology	Biomolecular Sciences	Leyns	oral presentation	6/09/2017		7F424
Advanced Molecular Biology	Biomolecular Sciences	Wendland	written + oral	22/08/2017		D2,16
Beta Cell Therapy in Diabetes	Biomolecular Sciences	Zhidong		by appointment		
Bio-informatics and Omics	Biomolecular Sciences	Tompa	oral	by appointment	10u	E5,10
Biostatistics	Biomolecular Sciences	Maes	written + oral	30/08/2017	9u	D3,07
Cellular Biology & Immunology	Biomolecular Sciences	Raes	oral	by appointment		E, 8th floor
Gene Therapy	Biomolecular Sciences	Van den Driessche		by appointment		
Hematopoietic cell therapies	Biomolecular Sciences	Van Riet		by appointment		
High Throughput Techniques	Biomolecular Sciences	Ballet	oral	by appointment		
Master Proof Biomolecular Sciences	Biomolecular Sciences	Angenon	Master thesis	5/09/2017	9h	D2,13
Master Proof Biomolecular Sciences	Biomolecular Sciences	Angenon	Master thesis	6/09/2017	9h	D2,13
Mechanisms, Kinetics and Applications of Enzyme Catalysis	Biomolecular Sciences	Versées	written + oral	1/09/2017	9h	D1,05 + D1,06
Micro- and Nanobiotechnology	Biomolecular Sciences	Desmet		by appointment		
Microbial Life in Extreme Conditions	Biomolecular Sciences	Charlier		by appointment		
Molecular Biophysics	Biomolecular Sciences	Loris/Versées	written + oral	25/08/2017	13h	D3,10 + D3,11
Molecular Microbiology	Biomolecular Sciences	Peeters	written + oral	4/09/2017		E6,06
Molecular Phylogenetics and Evolution	Biomolecular Sciences	Bossuyt		by appointment		4G110A
New Therapeutic approaches to disorders to the central nervous system	Biomolecular Sciences	Desmedt		by appointment		
Parasitology & Immunodiagnostics	Biomolecular Sciences	Sterckx	oral	by appointment		E8,01
Plant Molecular Biology	Biomolecular Sciences	Angenon	oral	by appointment		
Protein Maturation and Trafficking	Biomolecular Sciences	Beeckmans	oral self presentation + self paper	by appointment		E5,23
Protein Structure and Function	Biomolecular Sciences	Remaut	oral	by appointment		E4,20B
Recombinant Antibody Engineering	Biomolecular Sciences	Muyldermans	oral with written preparation	28/08/2017		D1,08
Research Communication and Management	Biomolecular Sciences	Angenon	written + oral	by appointment		
Stem Cell Biology	Biomolecular Sciences	Leyns		by appointment		
Structural Biology Methods	Biomolecular Sciences	Loris		by appointment		
Vaccine Technology	Biomolecular Sciences	Van Ginderachter	oral + self presentation + self report	by appointment		E8,08
