9514	2nd Pedagogical Content Knowledge: Computer Science	Master Physics	Vincent Ginis				info @ MILO		
9515	2nd Pedagogical Content Knowledge: Geography	Master Physics	Vincent Ginis				info @ MILO		
9513	2nd Pedagogical Content Knowledge: Mathematics	Master Physics	Bart Windels				information @ MILO		
9516	2nd Pedagogical Content Knowledge: Natural Sciences	Master Physics	Vincent Ginis				info @ MILO		
4909	Advanced Field Theory	Master Physics	Ben Craps		online		by appointment on 13/1, 19/1 and 27/1		KUL
6695	Atomic and Molecular Physics	Master Physics	Veronique Van Speybroeck				by appointment		
4870	Business Aspects of Biotechnology	Master Physics	Thomas Crispeels				by appointment		
6819	Business Aspects of Innovation in Materials	Master Physics	Thomas Crispeels				by appointment		
6818	Business Aspects of Software Industry	Master Physics	De Moortel				Navragen @ ES		
6818	Business Aspects of Software Industry	Master Physics	De Moortel				Navragen @ ES		
6818	Business Aspects of Software Industry	Master Physics	De Moortel				Navragen @ ES		
9124	Computational Materials Physics	Master Physics	Stefaan Cottenier				by appointment		
6509	Computational Physics	Master Physics	Stijn Buitink				no exam		
6699	Cosmology and Galaxy Formation	Master Physics	Sven De Rijcke				by appointment		
490	Economics for Business	Master Physics	Luc Hens	written			Navragen @ ES		
635	Electronics	Master Physics	Maarten Kuijk	oral			Navragen @ IR		
635	Electronics	Master Physics	Maarten Kuijk	oral			Navragen @ IR		
7409	Entrepreneurship	Master Physics	Nikolay Dentchev	written			Navragen @ ES		
6669	Experimental Techniques in Particle Physics	Master Physics	Kirill Skovpen	oral			by appointment		
4908	Extensions of the Standard Model	Master Physics	Steven Lowette	oral			by appointment		
6238	External Mobility A	Master Physics	Alberto Mariotti				Permanent evaluation		
6240	External Mobility B	Master Physics	Kirill Skovpen				Permanent evaluation		
6511	General Relativity	Master Physics	A. Arvanitakis	oral			by appointment, preferably week of 30 jan or 2 feb		
6508	High-Energy Astrophysics	Master Physics	Stijn Buitink	oral			by appointment		
10507	History and Philosophy of Sciences: Physics and Astronomy	Master Physics	Johan Braeckman				by appointment		
4640	Introduction to Business	Master Physics	Nikolay Dentchev				information @ ES		
6692	Introduction to the Dynamics of Atmospheres	Master Physics	Piet Termonia				by appointment		
6700	Magnetism: from Fundamentals to Nanoscale Dynamics	Master Physics	Bartel Van Waeyenberge	oral			by appointment		
7290	Management Informatics	Master Physics	Mattias Guns				by appointment		
9307	Master Thesis Physics and Astronomy	Master Physics	Promotor				by appointment		
9503	Module 1: Urban Education	Master Physics	Joost Vaesen				by appointment		
9477	Module 2: Tutoring of Individual Learners	Master Physics	Els Consuegra				by appointment		
9504	Module 3: Powerful Learning Environment	Master Physics	Nadine Engels				by appointment		
9505	Module 4: Diversity and Metropolitanism	Master Physics	Els Consuegra				by appointment		
9506	Module 5: Positive and Caring Climate	Master Physics	Nadine Engels				by appointment		
9509	Module 6A: Community School - Inquiry-based school	Master Physics	Nadine Engels				by appointment		
9508	Module 6B: Community school - Thematic projects	Master Physics	Nadine Engels				by appointment		
6683	Nuclear Instrumentation	Master Physics	Luc Van Hoorbeke	oral			by appointment		
6396	Operations and Logistic Management	Master Physics	Cathy Macharis				by appointment		
6694	Optical Spectroscopy of Materials	Master Physics	Dirk Poelman				by appointment		
6673	Physics and Chemistry of Nanostructures	Master Physics	Zeger Hens				by appointment		
6685	Plasma Physics	Master Physics	Kristel Crombé				by appointment		
6686	Plasma Technology and Fusion Technology	Master Physics	Rino Morent				by appointment		
9671	Project General Subjects in Secondary Vocational Education	Master Physics	Ingeborg Plackle				by appointment		
4897	Quantum Field Theory	Master Physics	Alexandre Sevrin				by appointment		
6675	Radioactivity and Radiation Dosimetry	Master Physics	Decaan WE				by appointment		
6674	Simulations and Modelling for the Nanoscale	Master Physics	Veronique Van Speybroeck				by appointment		
1321	System and Control Theory	Master Physics	Yves Rolain	oral			by appointment		K6,409
2050	Teaching of Dutch to Speakers of Other Languages	Master Physics	Esli Struys				by appointment		
6533	Technological Business Development Project	Master Physics	Thomas Crispeels				information @ ES
